

## THE FUTURE OF CHELTENHAM IN THE BALANCE, PLANS FOR A BUILDING BOOM NOW OUT FOR PUBLIC CONSULTATION

- Cheltenham Council voted through a HUGE 24% housing growth in a draft Joint Core Strategy (JCS), over 33,000 houses, mostly on our GREENBELT & COUNTRYSIDE !!
- Housing Numbers are FLAWED, they assume a THREE to FOUR fold leap in the county Birth Rate
- Cheltenham does not have the infrastructure for this level of development, school places, health services, transport and jobs are all under pressure and this is happening at a time when we are losing jobs in Cheltenham, between 1991 and 2009 the number of jobs in Cheltenham fell by 7,600 - all Data sourced from the JCS Evidence Base

**PLEASE RESPOND to this JCS CONSULTATION, by 26th November**
